

# **PFARCF 100 - Golf for Charity Marathon**

## **Who is PFARCF?**

The Pasadena-Foothills Association of REALTORS® Charitable Foundation is a group of volunteers comprised of Realtors and Affiliate Members of the Pasadena-Foothills Association of REALTORS®. The Charitable Foundation creates, plans and implements fundraising events throughout the Foothill communities in order to pursue its mission statement.

## **Our Mission Statement**

The mission is to support local charities actively involved in our communities through financial donations with a special emphasis on charities that have low administrative overhead and a focus on disadvantaged and needy populations; to foster tomorrow's leaders by providing scholarships to graduating public high school students; and to promote public awareness of the positive impact that REALTORS® make within our communities.

## **PFARCF 100 Goal**

Our goal is to raise \$100,000 through the personal and professional networks of 40 golfers for PFARCF to support our local charities in these tough economic times. Each golfer will be challenged to raise money through sponsorships on a per hole basis. Our goal is to have each golfer raise \$25.00 per hole in sponsorships so we may reach our goal of \$100,000 to support our local charities and promote public awareness of the positive impact in our communities.
